In the best possible manner, the facility has been parted into several highly operational units. These units help the company in the attainment of greater productivity. Its huge client base comprising Basf India Limited, Agnice Fire Protection Ltd., High Parra Construction Pvt. Ltd., is owed to our ethical work practices. Further, the facility is regularly upgraded, for reasons of boosting the market standing.

Shah & Anchor Kutchhi Engineering College (SAKEC) was established in 1985 for the purpose of imparting quality technical education. The college is managed by Mahavir Education Trust. The college is approved by AICTE, New Delhi and Government of Maharashtra, NAAC accredited with A grade, NBA accredited (Computer Engineering and Information Technology departments) and is affiliated to University of Mumbai. It also has an ISO -9001 Certification. It offers under graduate courses in Computer Engineering, Information Technology, Electronics & Computer Science Engineering and Electronics & Telecommunication Engineering, Artificial Intelligence Engineering, Cyber Security Engineering and post graduate courses in Computer Engineering, Information Technology and Electronics Engineering.

The Electronics Engineering Department was renamed as Electronics and Computer Science (ECS) in year 2020 which has the honor of being the oldest department of the college. The strength of the department lies in the highly qualified and experienced staff who regularly update their technical skills, publish papers in National and International journals and conduct various Faculty Development and Short Term Training Programmes. Our students are encouraged to take up internship opportunities within the college, as well as in industries.

### Terms / Conditions / Duties and Responsibilities:

SAKEC ECS shall undertake to perform the following:

- 1) SAKEC ECS shall engage in joint operational research with **SB Scaffolding (India) Pvt. Ltd.**, in selected areas of interest to both organizations. Faculty members or students
